RE: Form 471 Filing Window Waiver Request

BEN: 62832

FCC Registration #: 0022501498

2018 Form 470 Application Number: 180019011

To Whom It May Concern:

I am the person responsible for filing our FCC forms to USAC to apply for the e-rate discounts for communications for our school. I filed the 2018 form 470 by the deadline. Prior to the form 471 filing deadline, during the months of February and March, my mother and my brother-in-law both died. I was grieving and attending funerals around the U.S. I inadvertently didn't realize that I had missed the form 471 filing window until two days after it had closed (This past Saturday, 3/24).

I respectfully request that St. Paul's Lutheran School be granted a form 471 filing waiver, so we can still file our form 471 in order to receive e-rate discounts for our communications.

Thank you for considering my request.

Sincerely,
